All Leaders Understand, Collaborate and Support Evidence Based Instruction

All Leaders Understand, Collaborate and Support Evidence Based Instruction is a professional learning opportunity for district and building leaders to dig deeper into components of Implementation Science. NC State Improvement Project sites will use activities to explore their NC SIP Implementation plans. Leaders are guided through these activities as a team during a face-to-face day with DPI Consultants to understand the compelling why of authentic engagement in school improvement. Teams will collaboratively use tools provided by the National Implementation Research Network to focus on building readiness, implementation stages, implementation teams, and implementation drivers. Course participants will gain the skills to develop, implement, and evaluate district and school plans that support the improvement of core content instruction and achievement of students with disabilities.

Suggested attendees are NC SIP Implementation Teams.

Instructor(s): Bridget Bilbro and Rick Powers

Participants will get .6 CEUs

Special Assistance: Any individuals requesting accommodations under the Americans with Disabilities Act should contact the support staff before the training.
